# To Our Friends and Customers:

We take pleasure in presenting herewith our Statement of Condition as submitted to the Comptroller of the Currency as of December 31, 1941, and invite your careful attention to it, and invite your attention to the strong cash position and increase in deposits as compared with a year ago.

> The sound strength of this Bank is plainly revealed in the figures of this statement of condition. This strength is not a matter of chance. It is the direct result of careful, conservative management, wide experience and devoted service, coupled with the loyalty and good will of our customers, for which we are most grateful. We want to express to each one of them our sincere thanks for their past friendship, and solicit a continuation of their support.

> > The aims and purposes of this Bank in the future, as in the past, will be as follows:

- 1. It will be our purpose to render the best Banking service that it is possible for us to render, taking into consideration safe and sane banking methods.
- 2. It will be our continued aim to work and to use the entire resources of this Bank for the upbuilding of this entire section.
- 3. It will be our purpose to endeavor to handle the resources of the Bank in such a way that a reasonable profit will accrue to our Stockholders.
- 4. It will be our purpose to cooperate with industry and agriculture in National Defense.
- 5. It is the purpose and aim of the officers of this Bank to keep our institution prepared to meet the problems of readjustment that will surely follow the end of this terrible war.

It is the part of wisdom for every individual, firm and corporation to do its banking business with a Bank that is not only safe and conservative, but one that is strong and progressive, and that is willing to extend

One might ask the question, "Can I borrow money at your Bank"? The answer is "Yes"; you can borrow money from this Bank, provided you meet our requirements for making sound loans. We invite safe loans.

We solicit your business on the strength, safety and conservatism of this Bank.

All deposits received by mail are given the special attention of an officer of the Bank.
